EXPERIENCES

CAREERFOUNDRY FRONT END DEVELOPMENT PROJECT

Jason Vongdara Portfolio

AUG 2023 - AUG 2024

- Demonstrated strong skills in front-end development and user-centered design.
- Optimized the website for performance, including minification of CSS and JavaScript files, lazy loading of images, and efficient asset management.
- Successfully built a visually appealing and user-friendly portfolio that effectively showcases personal projects and skills.
- Managed version control and collaboration using GitHub.
- Implemented interactive features and animations using jQuery and CSS transitions/animations.
- Created responsive layouts with CSS Grid and Flexbox to ensure compatibility across various devices and screen sizes.
- Developed the portfolio using HTML, CSS, JavaScript, and jQuery.

CAREERFOUNDRY UX DESIGN PROJECT

The Health-Wealth App.

JUN 2023 - JUN 2024

- Designed wireframes and high-fidelity mockups using Figma.
- Successfully created a user-friendly and responsive application that increased user engagement and consistency in workout routines.
- Conducted user research to identify pain points and gather requirements.
- Implemented interactive features such as user authentication, progress tracking, and notifications.
- Conducted multiple rounds of user testing to gather feedback and iterated on the design to improve user experience.

PRODUCT & GRAPHIC DESIGNER - <https://www.joi.company>

AUG 2020 - Present

- Utilized design software such as Adobe Creative Suite (Photoshop, Illustrator, InDesign) to create detailed product illustrations and marketing materials.
- Conceptualized and designed various home goods and products, ensuring aesthetic appeal and functionality.
- Produced high-quality mockups and prototypes to visualize product concepts and gather stakeholder feedback.
- Conducted market analysis to identify emerging trends and incorporate them into product designs.

GRAPHIC DESIGNER - Cincinnati, OH

JUN 2019 - JUL 2020

- Presented seasonal design concepts to management and merchandising leads, effectively communicating creative ideas and ensuring alignment with brand vision.
- Collaborated with cross-functional teams, including marketing and production, to ensure cohesive and timely execution of design projects.
- Contributed to the brand's overall visual identity, enhancing its market presence and appeal.
